

————— Welcome to —————

Family Day on the Great Lawn

————— at Cline Family Cellars —————

Get ready to roll out your picnic blanket and spend a relaxing afternoon enjoying wine, food and good company.

Make the Best of Your Time at Cline!

Join the winery tour (11 am, 1 pm, 3 pm), take your family portrait, explore the grounds, and taste-test our wines with today's food truck menu. Our staff is available to answer any questions about ongoing offerings, upcoming events, wines and winery history.

Bring a Blanket

Don't wing it hoping that the ground will be just grassy enough for sitting pretty... or just dry enough that you won't get damp.

Be a Good Lawn Neighbor

Keep a close eye on your children to keep them out of harm's way and keep furry friends on a leash and near you. Don't forget to clean up. If you need pet wastebags, please just let our staff know.

Your Skin Will Thank You

Don't forget your sunscreen, bug spray, hat and sunglasses.

Get Your Game On

We will be offering up some great games for those who want to play. You may also pack your own cards and board games. For the fun and safety of all, please leave frisbees and balls at home.

Keep it Clean

Please dispose of all garbage and recyclables in appropriate receptacles, leaving your picnic spot clean for the next family.

Drink Responsibly & Stay Hydrated

No matter who's driving, please drink responsibly and remember to stay hydrated. A water station will be available on the lawn.

Large Groups

No reservation needed for groups of 8 and under. Groups of 8+ please call 707.940.4044 for availability.

Reminders

No outside alcohol is allowed on site. Lawn area closes at 4 pm. This is a monthly event and we hope you'll join us again! Get these next dates on your calendar: **May 18th, June 30th, July 27th, August 25th, September 22nd**

We're happy to have you as part of our family!
